About Paya Tejarat Bouzarjomehr Co.

Paya Tejarat Bouzarjomehr is a company that supplies and sells electrical equipment, electrical goods and all kinds of wires and cables.

35 years of presence in the specialized market of the electricity market and power industry, especially wires, cables and electrical goods, is our valuable support in this company.

Relying on this valuable support and considering the new needs of the market, with the establishment of Paya Tejarat Bouzarjomehr Company, a new phase of the activity of this group began.

Customer trust as the most important and valuable asset of this group on the one hand and the expansion of activities and services that can be provided in Paya Tejarat Bouzarjomehr on the other hand led the company to provide its products and services to customers by establishing a permanent location,

So that the selection of goods and services is done in more accuracy and time and complete technical and specialized information is provided to them at the time of purchase.

Paya Tejarat Bouzarjomehr considers this method of response in the dignity of its audience and in this regard, by creating a permanent exhibition (show room), it has exposed its products to the careful selection of customers.

Currently, Paya Tejarat Bouzarjomehr Company is the official representative of sales and supply of various electrical products from reputable brands.

The main activity of this company is supplying and selling all kinds of construction and industrial wires and cables (medium pressure and high pressure)
